REMARKS

The foregoing amendments are directed to formalities. Entry of this paper is respectfully requested.

The amendments to the specification are editorial in nature and are meant to correct form and language only. The paragraph beginning page 5, line 31, has been corrected to cure a typographical error. The drawings have been corrected to amend a typographical error. The specification as filed referred to system 100 in Fig. 1. (See, e.g., Specification, p. 3, l. 27). Fig. 1 has been amended to include the reference numeral for 100.

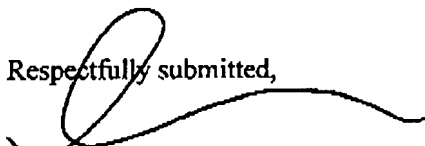

The claims have been amended based on the Examiner's amendment in the July 17, 2007 Notice of Allowability. Several minor typographic errors in the Examiner's amendment are corrected in the amendment to the claims above.

No new matter has been added. Approval is requested to the above listed changes.

Should the Examiner have any question or comment as to the form, content or entry of this Amendment, the Examiner is requested to contact the undersigned at the telephone number below. Similarly, if there are any further issues yet to be resolved to advance the prosecution of this application to issue, the Examiner is requested to telephone the undersigned counsel.

No fees are believed to be due in connection with this paper. However, if any such fees are due, please charge any fees such fees associated with this paper to deposit account No. 50-3355.

Respectfully submitted,
